SURVEILLANCE SELF-DEFENSE

TIPS, TOOLS AND HOW-TOS FOR SAFER ONLINE
COMMUNICATIONS

A PROJECT OF THE ELECTRONIC FRONTIER FOUNDATION

We're the Electronic Frontier Foundation, an independent non-profit working to protect online privacy for nearly thirty years. This is Surveillance Self-Defense : our expert guide to protecting you and your friends from online spying.

CR Consumer Reports | Security Planner

Our Mission All Recommendations Find Emergency Resources

Keep Your Data Secure With a Personalized Plan

Cut down on data collection and prevent hackers from invading your laptop, tablet and even your phone. Answer a few simple questions to get customized recommendations to help you:

- Safely backup files
- Browse online without tracking
- Avoid phishing scams
- Prevent identity theft

[Let's Do It](#)

An illustration on a dark green background showing three stylized figures (a man, a woman, and a child) interacting with a large, glowing digital screen. The man is pointing at the screen, the woman is touching it, and the child is looking at it. The screen displays some data or interface elements.
